

MUSTANG JOURNALS REVIEW FORM

Manuscript Title: _____

Referee Name: (to be deleted before sent to the author): _____

Referee email: (to be deleted before sent to the author): _____

The enclosed manuscript is being considered for possible publication in Mustang Journals. Your timely completion of the review process is essential to its proper consideration. Detailed comments are welcomed and helpful both to the author and the editors. Edits on the manuscript are welcomed, especially if you recommend "revise and resubmit." Although these comments and your evaluation will remain anonymous, they will be returned to the author for their consideration.
